**COMMISSIONER OFFICE HOURS****NONE****PUBLIC MEETING & WORKSHOPS****Public Meeting Notice – Area Code Overlay for 310 Region**

April 27, 2005 10 am	<b><u>Malibu</u></b> Malibu Council Chambers 23815 Stuart Ranch Road <b>Malibu</b>
and	
April 27, 2005 7 pm	<b><u>Culver City</u></b> Culver City Senior Center Veterans Memorial Complex, Assembly Room. B47, 4095 Overland Avenue <b>Culver City</b>

The California Public Utilities Commission (CPUC) will hold public meetings to obtain community feedback regarding implementation of an area code overlay for the 310 region in place of an area code split.

Cingular, Nextel, SBC, Sprint, T-Mobile, Verizon, and Verizon Wireless have filed a joint petition with the Commission to modify Commission Decision 00-09-073, which authorizes the North American Numbering Plan Administration to split the 310 area code when the Commission determines that an area code change is necessary due to number exhaust. The joint carriers request that the Commission modify its decision and adopt a triggered overlay for the 310 area code instead of a split. The companies propose that the overlay triggers when only six prefixes remain in the 310 area code. Currently eight prefixes remain.

If an overlay plan is adopted, consumers in the 310 area code would need to dial “1” and then the 10 digits of the telephone number to make a local call. An overlay plan, however, would allow all business and residential consumers to retain their existing telephone numbers.

If special arrangements are needed, such as sign language or foreign language interpreters, please contact the CPUC Public Advisor’s Office at 415-703-2074 or toll-free 1-866-849-8390 or TTY 415-703-5282 or 1-866-836-7825, or by email at [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov) at least three days in advance of the event.

4/22/05                      R04-04-003                      Order Instituting Rulemaking to promote policy and program coordination and integration in electric utility resource planning.

**Summary:** On April 19, 2005, Brian Cherry, Director of Regulatory Relations for Pacific Gas and Electric Company (PG&E), met with Pres. Peevey in San Francisco. Also present were Roy Kuga, Vice President, Gas and Electric Procurement, Policy and Planning, and Erik Jacobson, Chief, Regulatory Relations, for PG&E. Written material (attached to the notice) was used. Cherry stated that PG&E would support a swap of the Williams D and Sempra contracts between Southern California Edison Company and San Diego Gas & Electric Company to the extent there are operational benefits in such a swap and as long as the Sunrise contract is not reallocated to PG&E. Kuga stated that the cost allocation issue has already been resolved and the Commission should not modify its cost allocation approach. Kuga said that PG&E would also support a decision not to reallocate any of the Department of Water Resources contracts.

Lawrie also requested that the Commission approve PG&E's proposals on the marginal costs of providing gas distribution service.
